

PRAYING FOR PERSECUTED CHRISTIANS

Below are some guidelines to help you to know how to pray for our Christian brothers & sisters who are suffering because of their faith in Jesus. Use them well.

ISLAMIC WORLD:

Christians may face persecution from Muslim militants, and discrimination in employment and the legal system.

- Pray that God will intervene by frustrating the ways of the Taliban in countries where it seeks to maintain control, such as Afghanistan and Pakistan. Pray for God to continue moving powerfully amongst the people in Islamic countries so that just and upright political leaders might be raised up and prepared to serve the nation.
- Pray for God to bless converts to Christianity in nations such as Iran and Saudi Arabia. Ask God to enable them to be instruments of blessing (salt), transformation (yeast), and truth (light) in their communities (Matthew 5:13-16).
- Pray for nations where Al-Qaeda terrorism is intense, such as Iraq and Algeria, and for where Muslim militants instigate violence against Christians, such as Nigeria, Egypt and Somalia. Pray for protection, wisdom, provision and perseverance for the victims of attacks and for those who have lost loved ones due to violent persecution.

"I know that in all situations God is with me."

COMMUNIST WORLD:

*Christians may face persecution from Communists
and governments ideologically opposed to Christianity*

- Pray that in China God will give the government divine wisdom in dealing with the immensely complex issues of this large and multi-cultural nation. May there be security with justice, development with sensitivity and may religious freedom be recognized throughout the nation.
- Pray that God will be the refuge and strength for the vast number of believers imprisoned in Eritrea and North Korea. Pray for healing for their physical and emotional wounds and that the ever-present Holy Spirit may comfort and counsel their hearts.
- Pray for continued church growth in the midst of oppression and suffering in the nations of Vietnam and Turkmenistan. May Christians display the refreshing righteousness of Christ in the midst of nations struggling with corruption, dictatorship and injustice (Philippians 2:12-14).

*“I praise the Lord that He has never forsaken us.”

HINDU WORLD:

*Christians may face persecution from militant Hindus,
and discrimination in the legal system*

- Ask God to protect Christians in Nepal and India, most of whom are vulnerable, poor and without a "voice." Pray that they will not feel abandoned but rest in the peace and provision of their Father.
- Pray for God to awaken the people of India to the dangers of militant Hinduism and pray that anti-Christian propaganda will be rejected in preference for truth, openness, harmony and liberty. Pray for the Indian Church to grow in prayerfulness, casteless solidarity, wisdom, grace and perseverance in the face of suffering
- Pray for the people of Nepal to be united across ethnic and religious lines, and that they will find so much joy in liberty that they will not be tempted by Hindu nationalism. Ask God to give great heavenly wisdom and courage to evangelists in Nepal and to bless their witness.

*"Although we no longer have a home, the presence of Jesus
in our hearts is a reason for comfort for us."*

home was destroyed by Hindu militants in Orissa, India*

OTHER NEEDS:

(Christians may face persecution for other reasons)

- Pray for the Christians in the precarious Palestinian territories where they face pressure from all sides. Pray that the faith of these believers not be dampened by the exodus of fellow believers and that they will remain bold witnesses of Christ's love and grace.
- Pray for believers in Colombia, Mexico and the Philippines as they risk their lives to witness for Christ in communities hostile to God and His Word. Pray that, even when rejected and pressured for their faith, they will put their hope in the Lord as the One who upholds their cause (Psalm 146).

"It is not easy, but we are certain we are in the hands of the Lord."

– a former guerrilla who is now a pastor in Colombia
